Value Added Training Provider Referrals

Michigan Works! can help your organization compete in today's fast-paced market with referrals to value added training providers. We maintain partnerships with a wide variety of public and private training providers and have the ability to connect you with training topics that can be tailored to solve your company's performance challenges, support organizational development and meet specific business goals while keeping costs as low as possible.

Michigan Works! can:

- Help you identify which providers offer the training you need
- Assist you to find the most competitively priced provider
- Arrange training to be at your site or at any location that fits your business needs
- Connect you with professionals who can help you define a training plan
