

Tap into our **EMPLOYMENT EXPRESS** Services to identify and match your skills to employer needs in the shortest timeframe possible!

A sample of assessments that may be provided:

- Some employers may want to know your skills across a specific skill. **SkillCheck** has more than 800 Skills Assessment. Your Human Resource Specialist will work with you to see which assessment is required.
- If an employer is seeking someone with strong finger dexterity, hand eye coordination and ability to control movements of small objects, then the **Purdue Pegboard** assessment is available for employers seeking to have applicants assessed in those areas.
- Many occupations require a defined level of basic academic skills, the **TABE** (Test for Adult Basic Education) is available to assess basic skills for employers.
- Visit with our Human Resource Specialists; professionals in the field of career placement. They can assist you to develop an employment plan to transition you to your next job.
