PURE MICHIGAN TOURISM CAMPAIGN EXPANDS TO RECRUIT RESIDENTS, NOT JUST VISITORS

By Shandra Martinez
Grand Rapids Press

The successful Pure Michigan tourism campaign is being expanded to highlight the mitten state as a more permanent destination.

And the state is looking for residents to help with the effort by sharing why they call Michigan home.

Some of those who tell their stories in the "Why I Choose Michigan" contest will be rewarded with free getaway packages at Michigan resorts.

Contest details are available at PureMichiganLiving.com, a Web site announced this week that features "the people, places and things that make Michigan a great place to live, work and play."

Our vision is to create and maintain a healthy and growing economy with a local workforce that has the knowledge, skills and abilities to enable local employers to compete and succeed in a global and technologically sophisticated market place.

Thank you for your continued support of economic and workforce development efforts throughout our region.

Sincerely,

Orrin Bailey
