Upcoming Events

Microsoft's Elevate America program kicked off in the State of Michigan on January 16. Its purpose is to increase the technical skills of workers by providing FREE Office 2003, Office 2007, Windows Vista and IT Professional training courses. For additional information or to start your FREE training today, contact Amy Fleury at Michigan Works! The Job Force Board (906) 789-0558 x 246. Hurry, there are a limited number of free courses to give away and the offer is only good until April 11, 2010.

10TH ANNUAL UPPER MICHIGAN SAFETY CONFERENCE

The M-TEC at Bay College invites you to the 10th Annual Safety Conference. This conference is an all day event and offers timely and informative workplace safety and health presentations.

General Session "Show and Tell"

The 10th Annual Safety Conference kicks off with a general session which showcases a new approach to safety training.

One local company has created a culture of safety where the employees are now driving their own safety training program, "by the employee - for the employee". Join us as NewPage employees demonstrate how they changed a mandatory training from dull and boring into an entertaining learning experience!

Our vision is to create and maintain a healthy and growing economy with a local workforce that has the knowledge, skills and abilities to enable local employers to compete and succeed in a global and technologically sophisticated market place.

Thank you for your continued support of economic and workforce development efforts throughout our region.

Sincerely,

Orrin Bailey
