**5th Annual U.P. Non Profit Conference  
"Staying Strong While Shaping Our Future"  
October 23, 2009**

The U.P. Nonprofit Conference offers regional nonprofit leaders, staff, board members, and volunteers the opportunity to network, attend workshops, share ideas and fire up the passions that drive their nonprofit missions and visions. Attendees appreciate the opportunity to be able to convene and learn at a conference held in their own region. For many nonprofits, sending staff, volunteers or board members out of the area to build skills and network is not a feasible option at all. The U.P. Nonprofit Conference serves to fill that need expertly and cost efficiently.
